Thank you both for speaking with me today about the Doyle PCB site in Fannin County. You now have my email in case you need to get in touch with Garland Power and Light as this matter progresses. I am their attorney on this matter. I was just hired yesterday, so my learning curve on the particulars of this matter is pretty steep. I may be calling you with additional questions in the next weeks.

My client, Garland or GP&L received the information request on Feb. 20, so we will plan on responding not later than 30 days from that date (which would be March 22). I understand that additional time may be available upon request, so I will keep that in mind as we are researching GP&L's records.

Thanks again.

Duncan Norton
